MEMORIES

ALMA MATER

Hail to the Blue and Gold; banner beloved.

Hail to the glory of Townville High.

Thee will we honor;

Thee will we cherish;

A sacred, never failing tie.

FOREWARD

Time is golden. Our objective in this 1963 Memories is to prove how true that statement is. We hope to bring back memories of many good times to everyone connected with Townville High School. The challenging classes, the heart-stopping championship games, the fun at a dance, or the thrill of receiving the long awaited diploma, whatever the memories we hope they are all pleasant.

ALWAYS THERE TO HELP

DEDICATION

Mr. Morrow, we the Seniors of 1963 proudly dedicate this our yearbook to you for all that you have done for our class. For the guidance you have given our organizations, the patience you have shown while working with the boys in industrial arts, and the good times you have shared with us we thank you.

Mr. Hover came back from a year's sabbatical leave to find himself faced with two jobs instead of one. The vacated supervising principal's post was filled by Mr. Hover and Mr. Cope.

Many new faces were added to the faculty this year. However it didn't take long for the students to become acquainted with and to respect and like all of the new teachers.

ADMINIS- TRATION & FACULTY

Mr. Hover may not always look this peaceful and happy, but who can blame him. Guidance, discipline, and instruction are given to students through the capable, willing hands of our principal. Mr. Hover's understanding of the students has, in all his dealings with them, displayed a sincere interest in his affairs. His many hidden tasks performed to contribute to the smooth functioning of our school system support Emerson's statement when he said, "An institution is the lengthened shadow of one man."

PEOPLE WHO WORK

Townville High means many things to many people. It is to a few "just a school", but to the majority of students it is the center of all activities. Here is where they learned together, shared together, and had fun together. It was almost the essence of their whole being, and in the future will serve as the basis for never-to-be-forgotten memories. This back view of the school, seen by each pupil as he entered school in the morning, shows the loading platform, shop, ag room, and the upper floor of classrooms. Also along this drive we many times welcomed back our football and basketball teams.

Mrs. Howard, school bookkeeper, is not often seen by the student body; but when her help is needed she is always there. Especially to be remembered are the nights when her office door is open to all who need to be fortified by a candy bar. Although the student body is not aware of the work done by her, the joint school board and administrators can say Thank You for a job well done.

BEHIND THE SCENE

Mrs. Mickle, school secretary, lends the helping hand to all students, teachers, and visitors of the school. She bears the burden of a lot of paper work, thus relieving the teachers of some tiresome, time-consuming details. She is always there with supplies, aspirins, bandaids, and information as to where Mr. Hover is hiding. Her many duties may go unnoticed by some but to those who use her help she is well appreciated.

AUTOGRAPHS

SENIORS

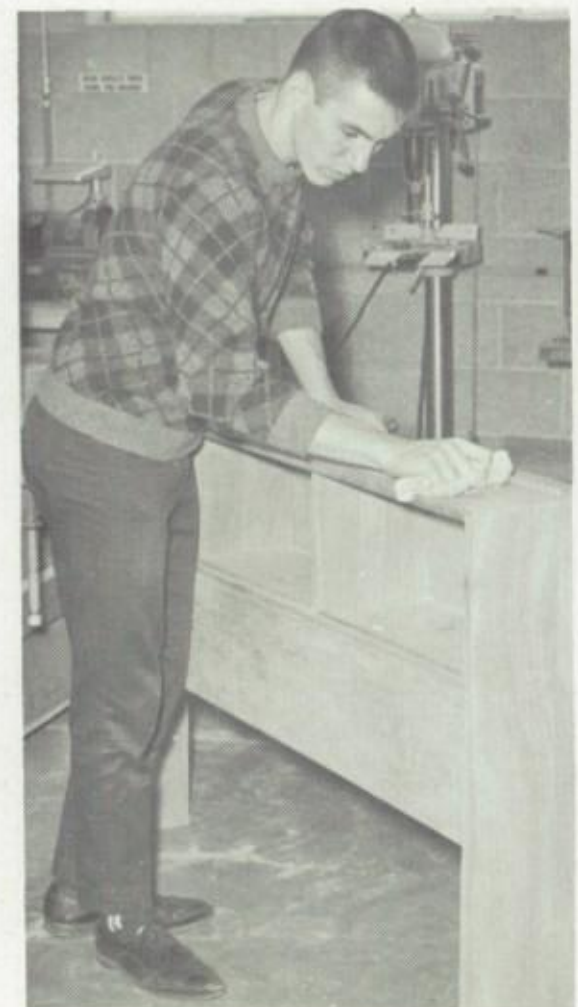

Seated: Jim Gillette, President; Connie Neely, Secretary. Standing: Judy Schendler, Vice-president; Mary Proper, Treasurer.

This section, devoted to the graduated class contains pictures of each member, snapshots of our first foreign exchange student, Who's Who pages, candid shots of seniors and other senior interests.

SENIORS OFF GUARD!

Peggy Copeland, Christine Seiler, Brian McPheters, Mary Jo Jouver, Joe Berlin, Judy Schendler,
and Gul Yazgan.

SENIOR SIX-PLUS ONE

Each year the seniors look forward to the opportunity of being selected as a member of the Senior Six. Selected this year on the basis of scholarship were Christine Seiler, Valedictorian, and Peggy Copeland, Salutatorian; selected by the classmates were Judy Schendler and Joe Berlin; selected by the faculty were Mary Jo Jouver and Brian McPheters. Commencement speeches by each member were based on the themes Democracy and Freedom, Individualism in Thoughts and Deeds, and Education Meeting the Needs of the Times.

For the first time a seventh student was chosen to be a member of this group. She was Townville's first Field Service Exchange Student, Gul Yazgan, who also gave an Address on commencement night.

IN MEMORY OF PHYLLIS DAVIS

Undaunted by the clouds of fear,
Undazzled by a happy day,
She made a heaven about her here,
And took how much with her away.

CANDID SHOTS of GUL

Hard at work, Gul carries on her studies in our country.

Gul presented our Student Council Governor with a Turkish flag at an assembly.

Gul sponsored an assembly with other exchange students.

Fun with the gang.

A senior trip to remember.

A year well ended.

GUL YAZGAN

Gul Yazgan, our first foreign exchange student, has enlightened the hearts of many in the school and the community. Gul has entertained the high school body with two assemblies. The first one was with Turkish foreign students from other schools, and the second was with foreign exchange students from schools in our area. Gul was active in many school activities such as the Student Council, Projectionist Club, and the Art Club.

This new section of Memories contains pictures and information concerning all the classes that are taught in our high school. You may be able to find yourself on the following pages and see how studious you look during your classes. This addition was just one of the changes that we made to improve our book.

ACADEMIC

SOCIAL STUDIES

Mrs. Kibler, Mrs. Luper
Mr. Frelick, Mr. Minnis

DEPARTMENT

The last year of high school finds the seniors taking a course known to them as P. O. D. Many names are given to this abbreviation but the real meaning is Problems of Democracy and that is exactly what you study, all the problems faced by our country--the family and its life and purpose in the United States, civil rights, labor, management and unions, economics, industry, farming, conservation, politics, and Communism.

Mrs. Kibler thoroughly prepares her senior classes for college work. Outlining, reports, lecturing and notes, critical analysis, editorial evaluations, and, of course, a term paper are only some of her required procedures for teaching. But through all this hard work, a student comes to realize more about his country, what faces him, and what he can do when he is on his own.

SCIENCE CLASSES

Now get ready to run!

All students are compelled to take three years of General Science in Junior High and one year of biology. After that the Academic pupils have Chemistry and Physics. Any student in other courses may choose Chemistry, Physics, or General Science as an elective if they wish. The General Science course gives the student information about many aspects of science that can prove useful in later life. A year of Biology often enlightens the class about the facts of life and also helps develop a strong stomach, especially when lunch period is after a session of dissection. The Chemistry class usually tries to blow up the lab, if not the whole school, but when the smoke settles it usually reveals everything in place. The Physics students try to convince everyone of their superiority since they're seniors but when they spend their time playing with mirrors, prisms, and other equipment it's hard to convince anyone.

Mr. Troutner teaches Junior High General Science as does Mr. Joslyn. Mr. Joslyn is also the instructor of Chemistry and Physics. Mr. Lumley instructs Biology and Senior Science classes.

It may be harmless but it sure smells bad enough!!!

MATH DEPARTMENT

Mr. Patton is the General Math instructor, Mr. Rusek teaches Algebra, and Mr. Burt instructs classes in Plane Geometry and Trigonometry.

It should fall right there.

It can be as easy as writing it out.....
once you get the hang of it.

Junior High Math is a continuence
of the Arithmetic that is taught in
elementary school. In Senior High Algebra,
Plane Geometry, Trigonometry, or General
Math is available.

COMMERCIAL DEPARTMENT

Bookkeeping can't be this easy???

Must be a vacation tomorrow
if she is this happy.

Typing is done from printed material, shorthand notes,
or dictation from a dictaphone.

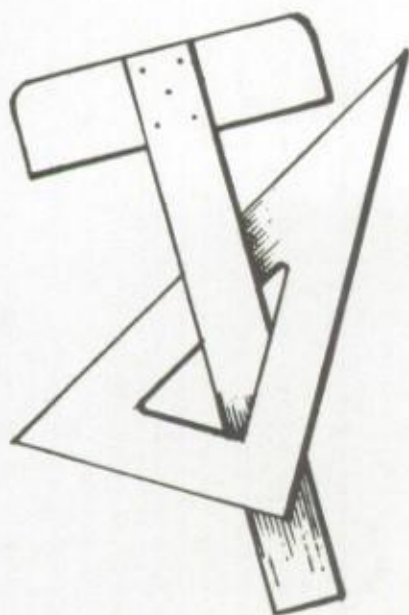

Mrs. Miller, shorthand teacher, gives daily dictation in the form of business letters or articles, and variation in speeds so that students can build both speed and accuracy in shorthand. The student can also help himself by using dictation tapes and records in his free time to build up his shorthand.

The Commercial department consists of classes in shorthand, English, typing, office practice, general business, math, and book-keeping. These along with other required subjects such as P.O.D. and gym and selected electives make a full schedule for the commercial student. In the senior year, machines that the student must learn to operate include a dictaphone, calculator, electric typewriter, adding machine, fluid duplicator, and mimeograph. Shorthand speeds over 80 W.P.M. and typing speeds over 50 W.P.M. must be reached before the student can receive an award. Awards may also be obtained when shorthand theory and dictaphone tests are passed.

Sequence in classes allows time for students to talk about what happened last night, who is going out with whom this weekend, and who has his English done. Because the students are most generally in the same classes, there is a close knit in friendship among all students.

VOCATIONAL

Mrs. Fisher, Home Economics; Miss Mitchell, Home Economics; Mr. McGee, Agriculture; Mr. Morrow, Industrial Arts.

The Vocational Department consists of three different courses. Vocational Agriculture is taught for students who wish to become farmers. Home Economics for future housewives and Industrial Arts for students wishing to have instruction in the construction of wooden articles.

In Industrial Arts the boys must first learn to draw plans of the projects they intend to construct. Then each beginner is closely supervised until he is able to use the machines in the shop with complete safety. Many beautiful articles are built every year. Gun cabinets, beds, tables, desks, cedar chests, and even bedroom suites are some of the results of hours of hard labor.

CLASSES

Besides learning how to care for animals and plant and harvest crops the boys also receive instruction in wood working, painting, record keeping, and other areas that will help them run their farms in a modern and efficient way.

Home Economics is instruction in many household duties. The girls learn how to cook, the proper way to store food, how to sew, tricks to make a home more cheerful, and many other things essential for a happy home.

LANGUAGE

Mrs. Lindley, Miss Remigio, and Mr. Mason are the instructors of English. Mrs. Kalfayan teaches both English and French and Mr. Rusek is the Spanish teacher.

CLASSES

Everyone must pass six years of English during his High School days before he is eligible to receive his diploma. Plus English one may elect French or Spanish for a two year course.

FACULTY

MIX - UP

DRIVERS' EDUCATION

The purpose of the Driver Education course is to teach students 16 years old and over the basic knowledge of how a car works plus training in actually driving a car. Every year the school is presented with a new car to use for the school term. The car is equipped with dual controls which come in handy once in awhile.

Mr. Henry could very easily win the title of the most patient instructor in our school. Even though he is put through some hair raising situations he always remains calm and reassuring. He shows the new driver his mistakes and helps him correct them. Mr. Henry has trained many students in hopes that his efforts will teach more drivers to be careful and many accidents can be prevented.

PHYSICAL EDUCATION

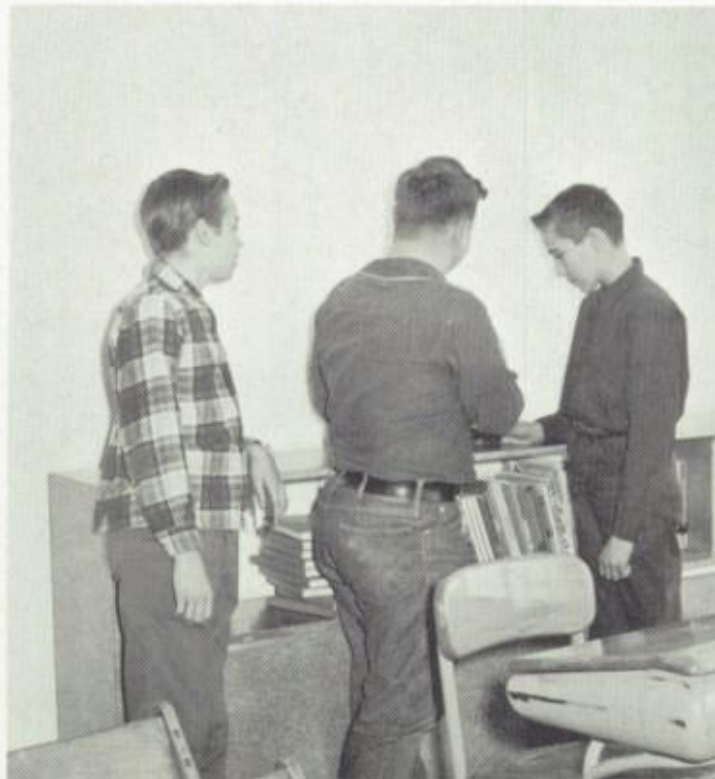

Our Physical Education program covers many different types of activities. Inside our spacious gym we have classes in badminton, tumbling, volleyball, and indian base to name a few. Outdoor sports include softball, soccer, archery, and football. This is one class all students look forward to with pleasure.

Mr. Henry, Mr. Lumley and Miss Remigio.

SPECIAL EDUCATION

The Special Education course is for retarded pupils in Junior High School. The students are taught subject on their own level and at their own speed of learning. These lessons are geared to the students' abilities so that they can take a more active part in their classes. They have more time to learn and master their lessons and receive more personal contact with their instructor. This enables them to learn faster than if they were in another class that was more advanced. This course is not too old but it seems to be very successful.

LIBRARY AND READING

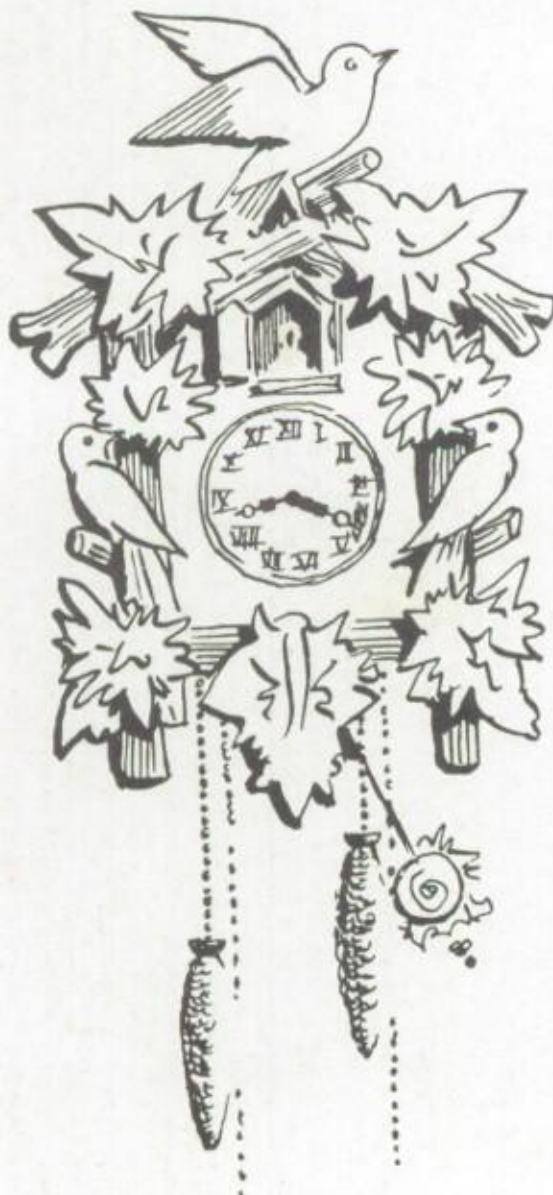

Our Library is now greatly improved from a few years ago. We get a large number of new books each year. Besides many novels the reference section of the library is enlarging so the students can use it more instead of having to travel to a public library. Mr. Harvey conducts library classes to teach the students how to use the library facilities to their advantage. The library is staffed by students who work during their study halls. Most of the students spend many profitable hours each year in the library.

Mrs. Southwick teaches a very important and useful class. Under her guidance the students learn to improve their reading ability and thus learn how enjoyable reading can be. Through the use of work books and projectors she creates more interest in books and thus the library is used more often.

SHOTS TOO GOOD TO FORGET

All the underclassmen are pictured in this section of our yearbook. We have also included class officers and a brief resume of the activities of each class during the year.

The Junior Class was the most active class in our high school this school year. The responsibility of raising enough money to sponsor the Prom and Banquet for the Junior and Senior classes fell on their shoulders. Their major project was the annual magazine sale from which they earned the majority of their treasury. The concession stand at the basketball games was operated by the juniors. They also sponsored a dance which they called the "Bossa Nova" and had the "Jail" at the carnival. Both of these projects drew large crowds and profitted the class for their efforts.

SOPHOMORES

The Sophomore Class was one of great activity throughout the school year. The Sophomore Dance which featured the crowning of the queen, Sandy James, and king, Tom Peebles, proved to be the largest of the year. The orchestra played fine dance music all night. The Carnival found the Sophomores with a food stand and providing dance music for their customers. The responsibility of the Prom will fall on the Sophomores shoulders next year and it is felt they will do an excellent job.

We could say beware to the senior high school students, but there is no alarm forseen as the freshmen class prepare to close out their year in junior high and begin the new school year as senior high students. The freshmen class of 1963 left behind them a fine record. Proved to be one of the successful dances of the year was the one sponsored by the freshmen. Highlight of the dance was the crowning of the queen, Rosalie Lohr, and king, Art Proper. The last day of school found the freshmen along with other classes of the school ending up the year in fine style with a trip to Conneaut Lake Park.

A TRIBUTE TO OUR BOOK

This is a book of memories. Memories tend to be enjoyable, since we fortunately are more likely to remember the happy experiences of life more than those which have led to frustration. We would hope, too, that most of your school experiences have been enjoyable ones. One cannot, however, live on memories. Memories are valuable when they remind us of the deep commitments we have made, of the vision we have had concerning our place in life, and of the friends who have inspired us. Such memories can be a constant spur to accomplishment and to higher living. We hope that the memories induced by this book will be happy ones, but that they will also be reminders of that which is fine, and noble, and good in life.

After school hours many different forms of entertainment take place in our building. This section covers activities from the Football Dance all the way to Commencement Night.

STUDENT

LIFE

COMMENCEMENT

The most important event of the year was held May 28, 1963. The 73 seniors of the class of '63 marched into the auditorium as Mr. Rutherford played the organ. Mr. Hover and Mr. Cope had short messages and speeches were given by seven seniors. The diplomas were presented by Mrs. Virginia White, president of the school board and then each graduate received a red rose from Mr. Hover. After marching out of the auditorium the class stood in line in the gym to receive congratulations from friends and relatives. Thus ended twelve wonderful years of mental, physical, and emotional growth under the guidance of teachers, principals, coaches, and everyone else on the staff of Townville Consolidated School.

For everything so many fine people have done for us, we the class of 1963 thank you!!!

"Rest Assured" is a very amusing account of the happenings when a very wealthy man does not want his daughter to marry the son of an immigrant. The son's father came to the house to try to change the wealthy man's mind but he only succeeded in getting into a fight. The man fell asleep and dreamed he had killed the poor immigrant and then that he himself died. When he awoke to find out that everything had been a dream he did an about-face and consented to the marriage.

"I come-a to talk-a for my Joe."

"I've decided I'm not going with you, Mr. Lucifer"

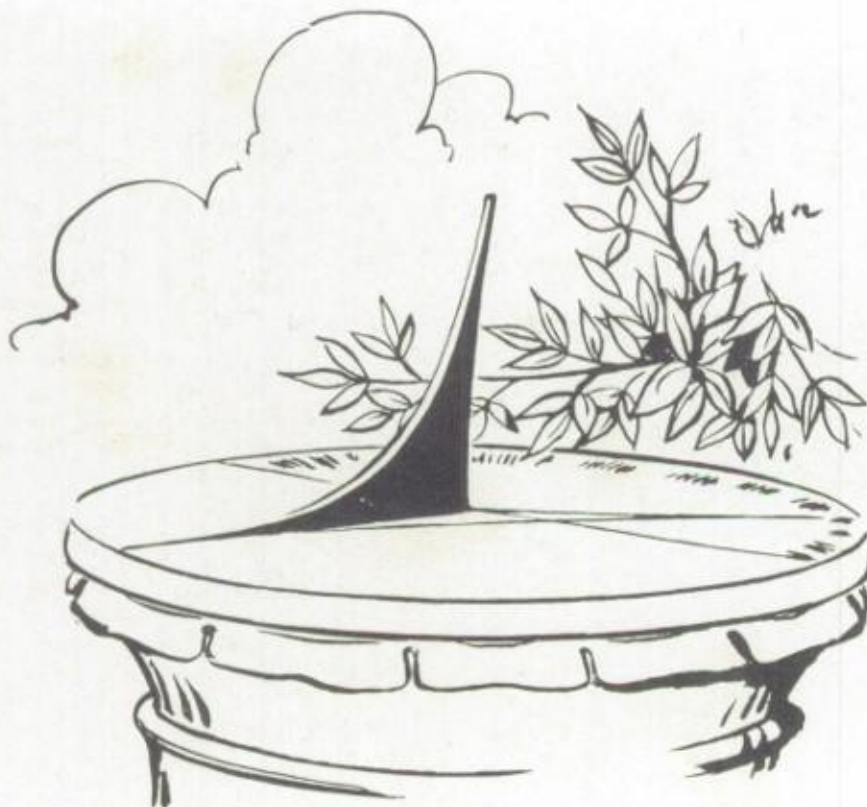

"Oh, please get up."

The Juniors proved to be very able actors. They presented the play three times and each performance was well attended. Much of the success was due to the time and patience of the directors, Mrs. Luper and Miss Mitchell.

"I'll put him to sleep."

Pictures of all clubs and organizations can be found in this part of our annual. Also the officers of each club are pictured and a summary of each organization's activities is included.

 Elaine Proper, Secretary; Standing:
 Bob Knapp, Lt. Governor; Sharon Lake,
 Foreign Exchange Treasurer; Judy
 Schendler, Treasurer; Kathy Kunick,
 News Reporter.

The Student Council began the year with their new foreign exchange student. They held a Foreign Student Week, in which they put up posters, sold bonds, showed a movie, had their Sadie Hawkins dance with auction of boys, and ended the week with a display of foreign articles at the Music Booster's Carnival. All the money they collected was to be for the next foreign student

COMMERCIAL CLUB

Row 1: L. Armstrong, V. Deeter, J. Melville, D. Hull, P. Davenport, L. Sterling;
Row 2: L. Henry, P. Findley, L. Larson, N. Brady, E. Sposkoski, B. Spanogle,
C. Neely; Row 3: L. Lingo, J. Childs, L. Culbertson, D. Gates, C. Werling,
E. Waid, P. Copeland; Row 4: M. Jouver, E. Proper, C. Douglas, R. Phillips,
C. Seiler.

To qualify as a member of the Commercial Club, you must either be a Junior or Senior and taking the Commercial course in high school. The Commercial Club backs the expense of the newspaper, thus making it possible for publication of school news.

Highlights and activities of the year include inniation of new Junior members, the annual trip--this year to Cleveland--and sponsorship of two booths at the Music Boosters Carnival.

Senior members of the club are allotted secretarial practice by choosing a teacher for which to do secretarial work. This work is graded by the teacher and given to Mrs. Miller, sponsor, who then works with the student according to the rating received. This work is done aside from regular school work and the secretary is expected to keep both the work and the school assignments on a high grade average.

Seated: Linda Henry, President; Jeanne Melville, Secretary; Standing: Linda Lingo, Vice-President; Linda Sterling, Treasurer.

RATING AWARD

The F. F. A had a very successful beginning this year as they received many champion and grand champion awards at the county fair. During the year they entered judgments and competitions in various fields and placed high in each. The annual F. F. A. banquet was held in April with a state officer as the main speaker. The highlight of the year was reciving the Superior Rating Award as one of the best F. F. A. organizations in Pennsylvania.

Seated: Roger Hasbrouck, Vice-president; Bob Knapp, Secretary; Standing: John Proper, Treasurer; Roy Erhart, News Reporter; Don Crowther, Sentinel; Ray Aversa, Chaplin; Absent Jim Gillette, President.

FTA RELIEVES OVER-WORKED TEACHERS

The F. T. A. began the school year with the initiation of new members. Teacher appreciation day held in the grade school was the main event. This program gave each member an opportunity to realize the responsibilities of the teaching profession by giving them a chance to teach school that day. A field trip to Thiel College was taken in April. The students toured the college and had the opportunity to experience college life. Each senior member received a \$5 graduation gift in reward for work well done.

Seated: Brian McPheters, President; Janet Battin, Treasurer; Standing: Arita Shorts, News Reporter; Dick Warner, Vice-president; Jill Phillips, Historian; Absent, Bernie Gumm, Secretary.

The marching band started another year with their usual participation in the football games. But the band was not only there to cheer on the champion football team but also the champion basketball team. The pep band, playing at the basketball games, proved to be a hit with the fans. Assemblies, exchange music programs, and concerts were the highlights of the year. The band, with the help of the Music Boosters, also sponsored assemblies of outside talent for the pleasure of the student body and faculty.

Condit.

Music was the word this year. The Chorus sang at several music events. The annual Spring Music Festival, a concert for Randolph High School students, a concert for the Music Boosters, and several programs for the student body were among the Chorus activities. A popular feature of the Chorus was a quartet composed of Jim Ross, Dave Condit, Marty LoBue, and Mike Dempsey who performed three times this year. Each year members are selected to attend the District Chorus Events. The ones in attendance from Townville were Christine Seiler, 3rd year; Linda Culbertson, 2nd year; Judy Schendler, 1st year; Karen Baney, 1st year; Bruce Drake, 3rd year; Dave Condit, 2nd year; and Jim Ross, 4th year. Jim also attended State Chorus for the 2nd year and attended Nationals at Atlantic City.

Seated: Bruce Drake, President; Peggy Copeland, Secretary; Stand-
 ing: Marcia Besanson, Chaplin; Patty Findley, Vice-president; Dick Warner, News Reporter; Connie Neely, Treasurer.

MAJORETTES

Patty Findley, head, Bernie Gumm, Martha Alford, Elaine Proper, Linda Culbertson, Mary Lee Tomer, Kathy Smith.

The Majorettes started the season by marching at the majority of the football games. Performances were given at the Spring Music Festival and district maneuvers which was held at Conneaut Valley. To raise money for new uniforms they sold blue and gold pom-poms and had a rummage sale in Titusville.

The four senior majorettes are Patty Findley, head, Linda Culbertson, Bernie Gumm, and Elaine Proper.

Row 1: J. Proper, B. Knapp, R. Kaster, C. Stokes; Row 2: J. Ross, T. Darling, B. Bechtel, D. Gates; Row 3: R. Stanford, L. Bancroft, G. Kinnear, D. Mallory, J. Gillette; Row 4: D. Gillett, D. Childs, L. Reynolds, B. McPheters.

The Varsity Club members sponsored a Turkey Raffle and the Doc. Williams Show, a western variety, to obtain money to purchase their varsity jackets. The jackets were referred to as "the coolest jackets the school has ever seen." Basketball and football emblems with County Champs engraved on them were given to the team members to wear on the shoulders of the jackets.

Seated: Dick Gillett, President; Ron Kaster, Secretary; Brian McPheters, Vice-president; Robert Knapp, Treasurer.

PROJECTIONISTS - DONATE

The main project of the Projectionists Club this year was to purchase new equipment for the record hops held in the high school during the year. An amplifying system and turntable were the two major items that were obtained. The club also showed films, sponsored a dance, and had their usual movie booth at the carnival.

Seated: Dave Baldwin, Vice-president; Mary Winters, Secretary; Standing: Mary Jo Jouver, Treasurer; Jill Phillips, News Reporter; Absent, Alford Danforth, President.

Mickle, L. Drake, K. Wentz, J. Davenport, T. Hayden, J. Sutton, D. Smith, L. Hefferman.

The Junior High Band under the direction of Mr. Rutherford, is a good place for the young musicians to get used to playing as a group. While they are still learning to play their instruments the pupils get a chance to practice together and learn new music. Each time the High School Band and Chorus put on a music program the Junior High Band also participated. Several of the band members had an idea and with Mr. Rutherford's help they created a very successful jug and bottle band. The "hillbillies" dressed in appropriate costumes and played a variety of jugs and bottles. Whenever they performed the group was very well received and thoroughly enjoyed by everyone.

This year has been the most successful we have ever had as far as sports are concerned. Our dream that someday we would win the football championship came true due to the hard work of the coaches and the team. Our guys also worked hard during the winter and won the basketball championship. A boys' volleyball team was begun by Mr. Patton-- they won second place in the County Tournament. The wrestling, track, and girl's volleyball teams also had quite successful seasons.

The cheerleaders started the year by cheering at all of the football games. They weathered rain, snow, and cold to urge our team on to victory. Basketball season saw them once again at all the games doing their best to instill school spirit among the fans.

Judy Schendler

The first game of the season left the Eagle fans with down-trodden spirits as the team was defeated by long-time foe, Titusville. The Eagles bounced back quickly, though, and defeated Conneaut Valley for the first time in a revenge packed game. The following game at Cambridge Springs was just as action packed as a game could be with the Eagles coming out on top.

Although the Class B crown was the most noteworthy reward reaped from the football season, individual players also collected many important awards for themselves.

This year Townville had the "winningest" football squad in her history. With a record of 7 wins and 1 loss the Mighty Eagles captured the County Class B Championship.

The Saegertown game elated Eagle spirits even higher. After an easy victory over Randolph, the moment of truth for the team finally arrived. The victory at Youngsville clinched the football crown. The Venango Christian game was an easy but cold victory. The last game of the season at Franklin, a class A school, was a fitting ending to an already fabulous season.

Bob Vukmer in his left forward position completed a fine season. He constantly led the fast break and set up many good scoring plays.

Jim Gillette had a terrific season, as he led the team scorewise. His position, right forward, was always covered. Jim received the award of Best Player of the Crawford County Class B League.

VICTORY!

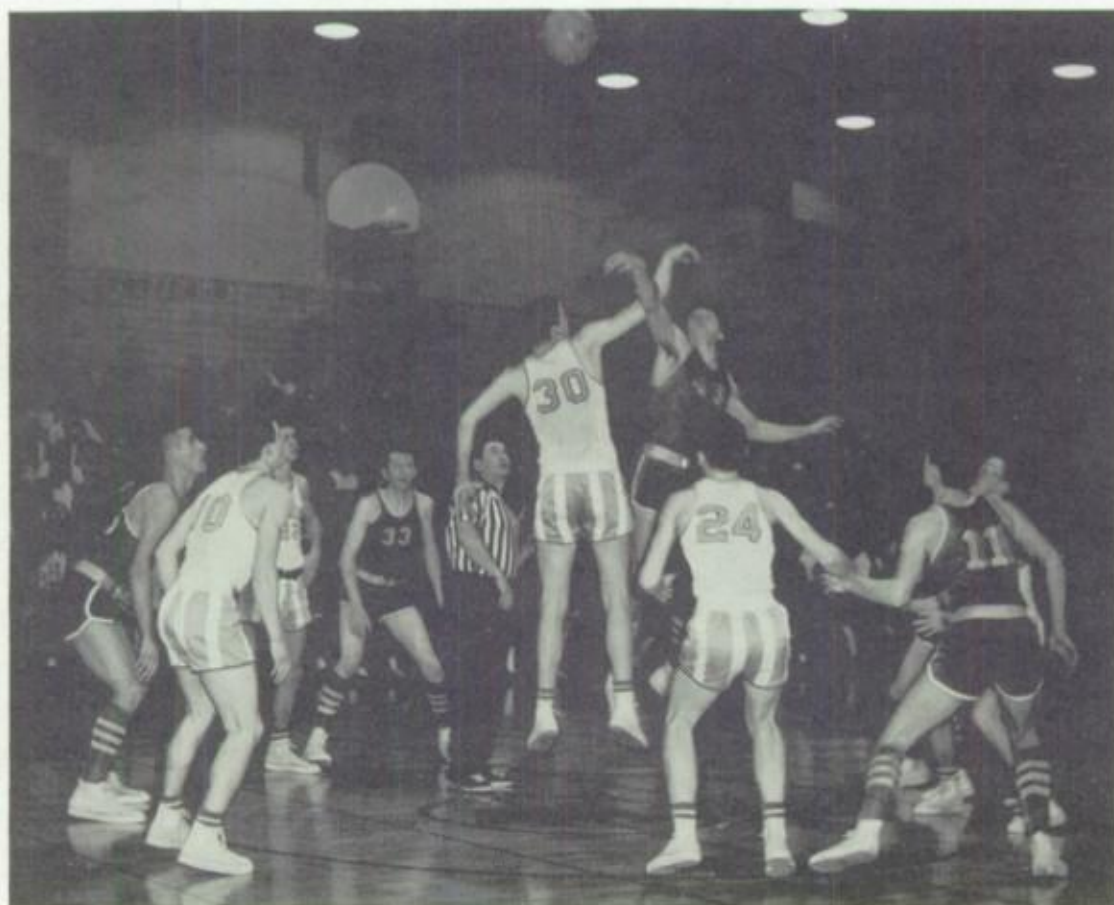

Due to the combined effort of the team and the five varsity players individually honored on these pages Townville High's Eagles cuped the hotly contested Crawford County Class B Basketball Championship.

Dave Mallory, who played the right guard position, was a major part of the team. He set up defense plays and when given the chance, shot for many baskets.

Bob Bechtel, left guard, was a work horse on defense. He constantly set up many of the scoring attempts during the season.

Dick Gillett, center, proved his ability by continually tipping the ball to his teammates and aiding in the team effort which resulted in the end victory.

The track team participated in various area meets throughout the spring. Practice began in April and continued through the end of May. The boys showed their sturdiness by practicing and competing in the cold wind and rains of the spring. Led by Mr. Lumley many of the boys stood up well against the competition of Class A schools.

The members of the annual staff take their time after school and free time during school to bring the Memories of each year together in one book for your enjoyment.

Most students don't realize what goes into the making of a yearbook but anyone on the staff can tell you that it takes time, patience, and co-operation on the part of everyone concerned.

The staff must work with their advisor, Mr. Higgins; the school principal, Mr. Hover; and photographer, Mr. Johnston; and combine all ideas, pictures, and material into a book that will bring back all fond Memories of T.H.S.

For the last two years, Christine and I have attended yearbook workshops and conferences to gather materials and ideas to bring to you a book that will make it possible for you to remember a little more about your high school days. This year's book has been changed and we hope that you like it as well as the staff.

Mary Jo Jouver, Editor

A lot of work and expense is put into the making of this book. Only through co-operation of the student body and patrons is money made to support this expense. When it comes time for yearbook orders, support your yearbook staff. Your help is greatly appreciated.

Christine Seiler, Ass't Editor &
Business Manager

Young though we were when we entered these halls, we have found many precious things; friendship, knowledge, and happiness. We worked, we learned, we loved and we lived. We were challenged by our teachers, by our parents; and we shall continue to be challenged as we pass through these doors to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Although we may be separated, our memories of THS will linger on forever.
